PARMA
The CNA paths of experiential tourism

Parma: pasta, nature and castles

Start your journey at a private villa of a local cook who will reveal to you all the tips and tricks of pasta making. The morning after, wake up in the borough of a sumptuous medieval castle and after a stroll inside it, grab your e-bike to enjoy the magnificent landscape around. After lunch at a typical trattoria visit a local vinery to round off your experience with a good glass of wine. Included: private transfer, accomodation, cooking class with dinner, lunch, indicated experiences and tastings, english-speaking guide. Price for 2 pax: 1380 eur

activities

Become a pasta-making savvy during the cooking class at a stunning private villa
Walk in the medieval castle and discover an enchanting love story connected to it
Make a ride with an e-bike to enjoy the landscape around
Visit a local winery to discover some sparkling secrets of our typical wines
